## WHY DO WE ORGANISE EQUAL PAY DAY?

1. You may meet women from different areas that you would likely not meet. They are all united by one goal. **12 years already.**
2. We don't pretend. The stories are **authentic** and shared in a safe and open environment. We find sources of inspiration everywhere.
3. You learn and **enjoy** yourself at one time.
4. **It is only your choice**, when do you wish to connect and how much you want to learn and share. You may easily accommodate the programme to your time schedule. From **anywhere you are.**
5. Let's strengthen our voice like the **17.384** women before us.
